

Voices of Our Veterans Interest Form

www.voicesofourveterans.org

The goal of the Voices of Our Veterans oral history program is for NWCTA students to record and preserve for posterity the stories of Las Vegas veterans. After conducting the oral histories students will transcribe the interviews word for word. Transcriptions will then be sent to the Library of Congress's Veterans History Project. If you are a veteran and would like to participate in this worthwhile program please complete this interest form.
